

Iowa Council of
Teachers of
Mathematics

Leading Mathematics
Education into the 21st
Century

New Teachers & Future Teachers:

Join us for a special ICTM pre-conference session with other teachers and leaders in math education.

Advance Registration is not necessary and the session is FREE!

You are invited to a special welcome session created just for **new** and **future** teachers.

Thursday Evening

February 18, 2010

6:00 p.m. – 9:00 p.m.

West Des Moines Learning Resource Center
3550 Mills Parkway, West Des Moines

- ❖ Snacks and beverages provided
- ❖ Free teaching materials & ideas
- ❖ Fun activities, fun people
- ❖ Find out who's who in math education and how they can help you
- ❖ Get an overview of the ICTM conference – the ins and outs of making it a great conference
- ❖ Network with other teachers in their first years of teaching
- ❖ Network with others planning on going into teaching
- ❖ Find out about other future events for new teachers

Join us in West Des Moines the evening before the ICTM Math Conference. We'd love to meet you, help make your conference attendance a success and pass on some teaching hints and special surprises.
