

Why Join ICTM?

Being a member of the Iowa Council of Teachers of Mathematics (ICTM) means you are a member of a professional organization that is working to help promote and improve mathematics education in Iowa.

Membership offers you the ability to network with other mathematics educators from across the state and another avenue to contribute to mathematics education.

ICTM holds an annual conference in February to give members a chance to work with recognized leaders in mathematics education and to network with peers.

Other perks of membership include:

- *ICTM Journal*
- *Newsletters*
- *Opportunity for grants*
 - **Advanced tuition**
 - **Curriculum**
 - **Travel grants**
- *Conference registration discount*
- *Discount on selected mathematics publications*
- *Fulfills professional development component for Iowa Teaching Standards*

Take advantage of all that the Iowa Council of Teachers of Mathematics has to offer!
