

## Institutional Membership Available for Elementary School Teachers

The Iowa Council of Teachers of Mathematics' primary role is to promote and improve mathematics education in Iowa. ICTM is aware that elementary teachers can't join every professional organization and we are also aware of budgetary cuts. It is with these constraints in mind that ICTM has developed an institutional membership just for elementary schools.

It normally costs \$20 for an individual to join ICTM, but we've created an **elementary school building** membership for the cost of \$35.

This would provide your building a copy of our fall, winter and spring newsletters,

a copy of our yearly mathematics journal, any other news, and allow each teacher in your building to attend our yearly state conference at member cost rather than non-member cost (a savings of \$25 for each attendee). This year the conference is at Valley Southwoods School, West Des Moines on Feb. 18, 2011. Please provide a list of teachers in your building. If e-mail addresses are provided for each teacher, an electronic copy of our newsletter will be forwarded to each teacher.

Please consider having your building join our professional organization. If you have any questions, please contact me at 641-394-3464 or [bustam@uiu.edu](mailto:bustam@uiu.edu).

## ELEMENTARY SCHOOL MEMBERSHIP

Principal: \_\_\_\_\_

School Name: \_\_\_\_\_

District: \_\_\_\_\_

Address: \_\_\_\_\_

City/Zipcode: \_\_\_\_\_

Mathematics Teachers and their e-mail addresses: Please attach additional sheet if necessary.
